

FLORA GARDEN SOCIETY

Dear

As a member of the Flora Garden Society, you join thousands of others across the globe who have a genuine passion for gardening. Flora Garden Society is a place to share, inspire, and connect with both professional and home gardeners.

As a token of our appreciation, we are providing you with our *Essential How-To Guide for Orchids*. Inside these pages, you will learn about orchid basics, how to cultivate orchids, as well as the six most popular types of orchids

It is our sincere hope that you enjoy reading and learning about this exotic and unique flower. Thank you for your membership to the Flora Garden Society.

Sincerely,

Kira deLuz

Flora Garden Society

Orchid Expert

OUR MISSION

The mission of the Flora Garden Society is to foster a love of gardening through education, communication, and active participation.

Members strive to enhance community and surroundings by promoting gardens, plants, and flowers. We pledge to protect and conserve natural resources and encourage civic responsibility.

The *Essential How-To Guide for Orchids* is produced by the Flora Garden Society. This booklet is free to Flora Garden Society members. To inquire about membership, please contact our membership offices by emailing membership@floragardensociety.com.
