

Windows 10 availability for Xerox Fiery servers

The following Xerox® Fiery® servers have an available paid upgrade to Microsoft® Windows® 10 IoT Enterprise 2016 LTSB edition.

Why upgrade to Windows 10?

Microsoft Windows 10 IoT Enterprise 2016 LTSB edition contains the latest security protections. In addition to OS-level protections such as built-in automatic threat monitoring to malware protection, the Fiery server has additional security features to help protect your data, including integration with Windows Active Directory.
