

*Self-Serve M600 Station*  
and HP DesignJet Z6 & Z9+ Postscript® Series

# EFI self-serve innovation with HP

Print beautiful photos, posters, signage, or technical drawings on the go. EFI™ Self-Serve M600 Station integrated with HP DesignJet Z6 & Z9+ PostScript® Printer Series offers an easy large format print-and-pay solution perfect for universities and colleges.

## **Optimise print services cost**

- Increase departmental efficiency by directing simple print-ready jobs to self-serve
- Reduce post printing finishing space and operator costs with built-in automated trimmer\*
- Offer both technical and photo applications without media changes thanks to dual roll with auto-switching capability\*
- \* Automatic trimming and auto-switching are only available with Z6 and Z9+ 44in dual roll with vertical trimmer models

### Turn around last minute jobs faster

- Fast and intuitive integrated user interface reduces queuing time for print-ready files
- Adapt to student trends with convenient direct access to print-ready files via USB drives, mobile devices, or cloud storage services
- Reduce cash handling with secure integrated payment service supporting campus cards, credit cards, and cash cards

### Offer students more options

- Focus on more complex print jobs with post production finishing requirements
- Dedicate more time educating students about print-ready files and printing options
- Expand your service offering in library or other student facilities with large format printing without increasing staff
