## President's Note

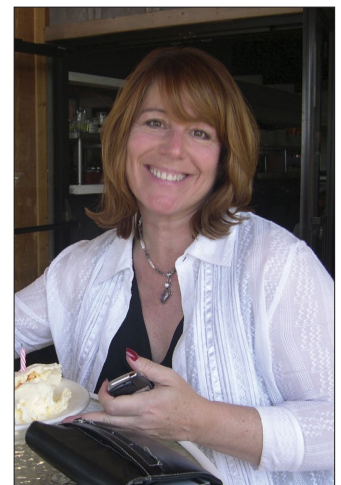

Dear Fellow Media & Arts Alumni,

It's hard to believe a year has passed since our annual Alumni Retreat. The past months were busy for many of us.

In September, we traveled to Springfield for a Classmate Reunion Weekend. In December, we welcomed an outstanding new class of Media & Arts University fall graduates into our association at the Outstanding Alumni Awards. Many of you also came out for our Alumni Golf Tournament in March.

Thank you to all of you who participated in our events. Media & Arts alumni span the globe, but we remain connected by our passion and our roots. Together we strive to build a legacy for future generations, while honoring our pride in Media & Arts University.

Sincerely,  
Carla Albright, '86  
President  
International Media & Arts University Alumni Association
