

Drive hard profits with soft signs

The greatest value on the market if you are looking to aggressively develop and drive more profitability into your soft signage business.

Impressive image quality

- Dramatic four colour printing with a wide colour gamut
- Ultra-high resolution up to 2,400 dpi with four level greyscale printing with 4 pL to 18 pL drop sizes

Low total cost of ownership

- Patented head recirculation system for improved ink yield
- Wrinkle detect system protects against costly repairs due to head strikes

Versatile and productive printing

- 1.8-metre wide aqueous-based soft signage printer
- Print direct to textile or transfer paper with the ability to changeover from one to the other
- Production speeds up to 310 m²/hr with eight print heads
- Sticky belt technology ensures consistent image quality at high speeds on a wide range of materials
- Auto print head cleaning station increases printer uptime
- Capping station to keep your system up and running

Media/Handling

- Prints up to 180 cm wide
- Substrate weight from 30 to 450 gr/m²
- Entry: standard roll unwinder up to 500 mm outside diameter
- Exit: standard roll winder up to 400 mm outside diameter
- Dryer: one chamber industrial available in either gas or electric

Resolution

Up to 2,400 dpi

Productivity

Production speeds (max.) up to 310 m²/hr

Formats

All popular desktop file formats, including PostScript® 3™, EPS, TIFF, PDF, RGB/CMYK

Environmental considerations

- Temperature: 20-24 °C
- Humidity: 50-60%
- Weight: 6,330 kg
- Printer and dryer dimensions: 634 cm x 487 cm x 170 cm
- Printer electrical: 3 Phase, 400V, 50Hz, 10kW
- Dryer electrical (gas is available as alternative): 3 Phase, 400V, 50Hz, 70kW
- Water pressure: min. 1.5 bar; max. 2 bar
- Water volume: 5 litres/min
- Water temperature: 20-25 °C

RIP

ErgoSoft or neoStampa available upon request

Genuine EFI Inks

Water-based CMYK dispersed dye inks

EFI fuels success.

We develop breakthrough technologies for the manufacturing of signage, packaging, textiles, ceramic tiles, and personalised documents, with a wide range of printers, inks, digital front ends, and a comprehensive business and production workflow suite that transforms and streamlines the entire production process, increasing your competitiveness and boosting productivity. Visit www.efi.com or call 0808 101 3484 (UK only) or +44 (0)1246 298000 for more information.

Nothing herein should be construed as a warranty in addition to the express warranty statement provided with EFI products and services.
