

REGGIANI ecoTERRA Solution

Digital Printers for Direct Printing on Fabric
Water-based Pigment with Binder Inks

Bring the entire
printing process
inside your printer

The eco-friendly all-in-one solution for pigment printing

EFI™ Reggiani ecoTERRA is the all-in-one solution for pigment printing that requires no ancillary equipment for pre- and post-treatment. The ecoTERRA solution gives customers competitive advantages dramatically cutting energy and water consumption of the overall process for a more sustainable direct-to-fabric printing experience.

Eco-friendly, water-based EFI Reggiani ecoTERRA solution delivers excellent wet and dry fastness properties, remarkable sharpness in detail and extraordinarily high durability while also yielding longer printhead life with reduced maintenance costs.

Thanks to the enhanced polymerisation and finishing unit, EFI Reggiani ecoTERRA also provides the fabric softer hand feel.

Why choose EFI Reggiani ecoTERRA solution?

- All-in-one solution: inline printing and finishing **NEW**
- Reduced carbon footprint cutting energy consumption **NEW**
- Minimum water consumption for printer and overall process **NEW**
- Fast turnaround time for on demand delivery
- One solution for multiple applications
- Authentic textile pigment solution with the softest hand feel
- Excellent wet and dry fastness
- Remarkable sharpness in detail
- 7 colours for a wide and vivid colour gamut
- Meeting global regulations and highest industry standards
