

Textile printing in one simple step

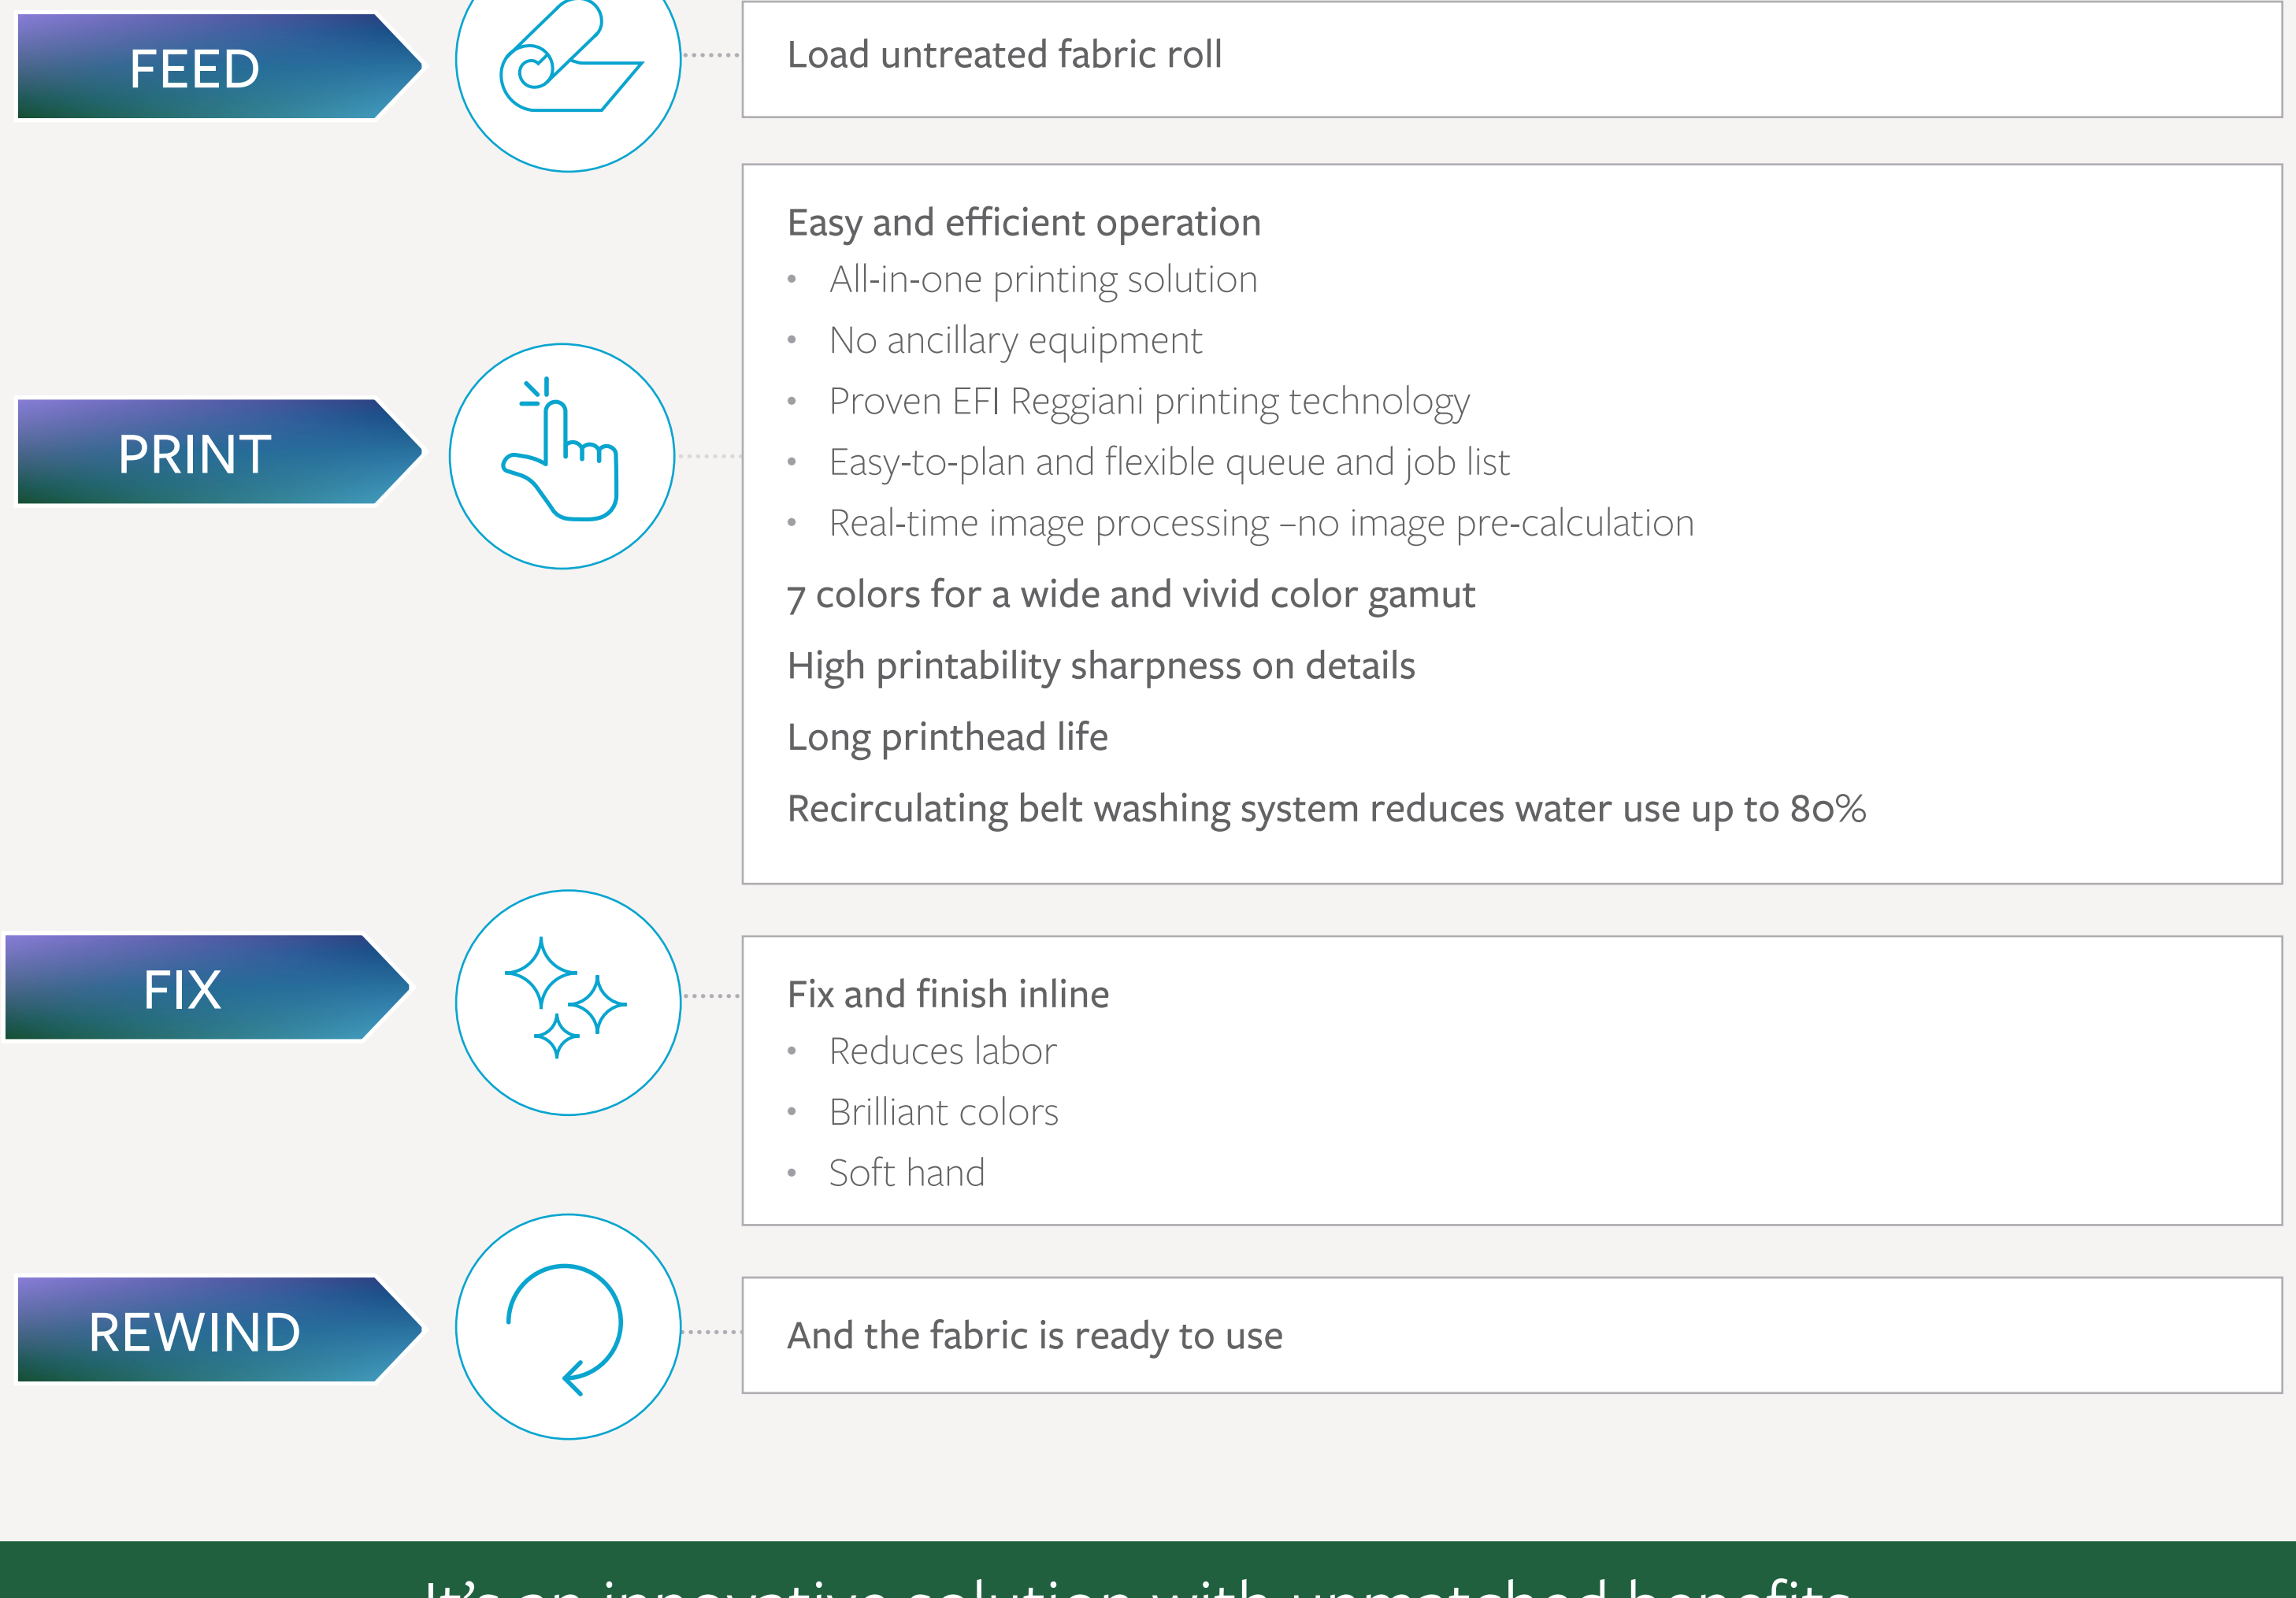

EFI Reggiani ecoTERRA pigment solution

The brilliant thing about the EFI™ Reggiani ecoTERRA pigment solution, is what you don't have to do: No pre-treatment. No steaming. No washing. No stentering. No problem.

It's an all-in-one solution that delivers faster turnaround times for the on-demand delivery of multiple applications. Plus, you'll reduce costs by eliminating large, pre-treated fabric stock and ancillary equipment and using less energy and water along the entire process.

Just feed, print, fix and rewind – all inside the printer

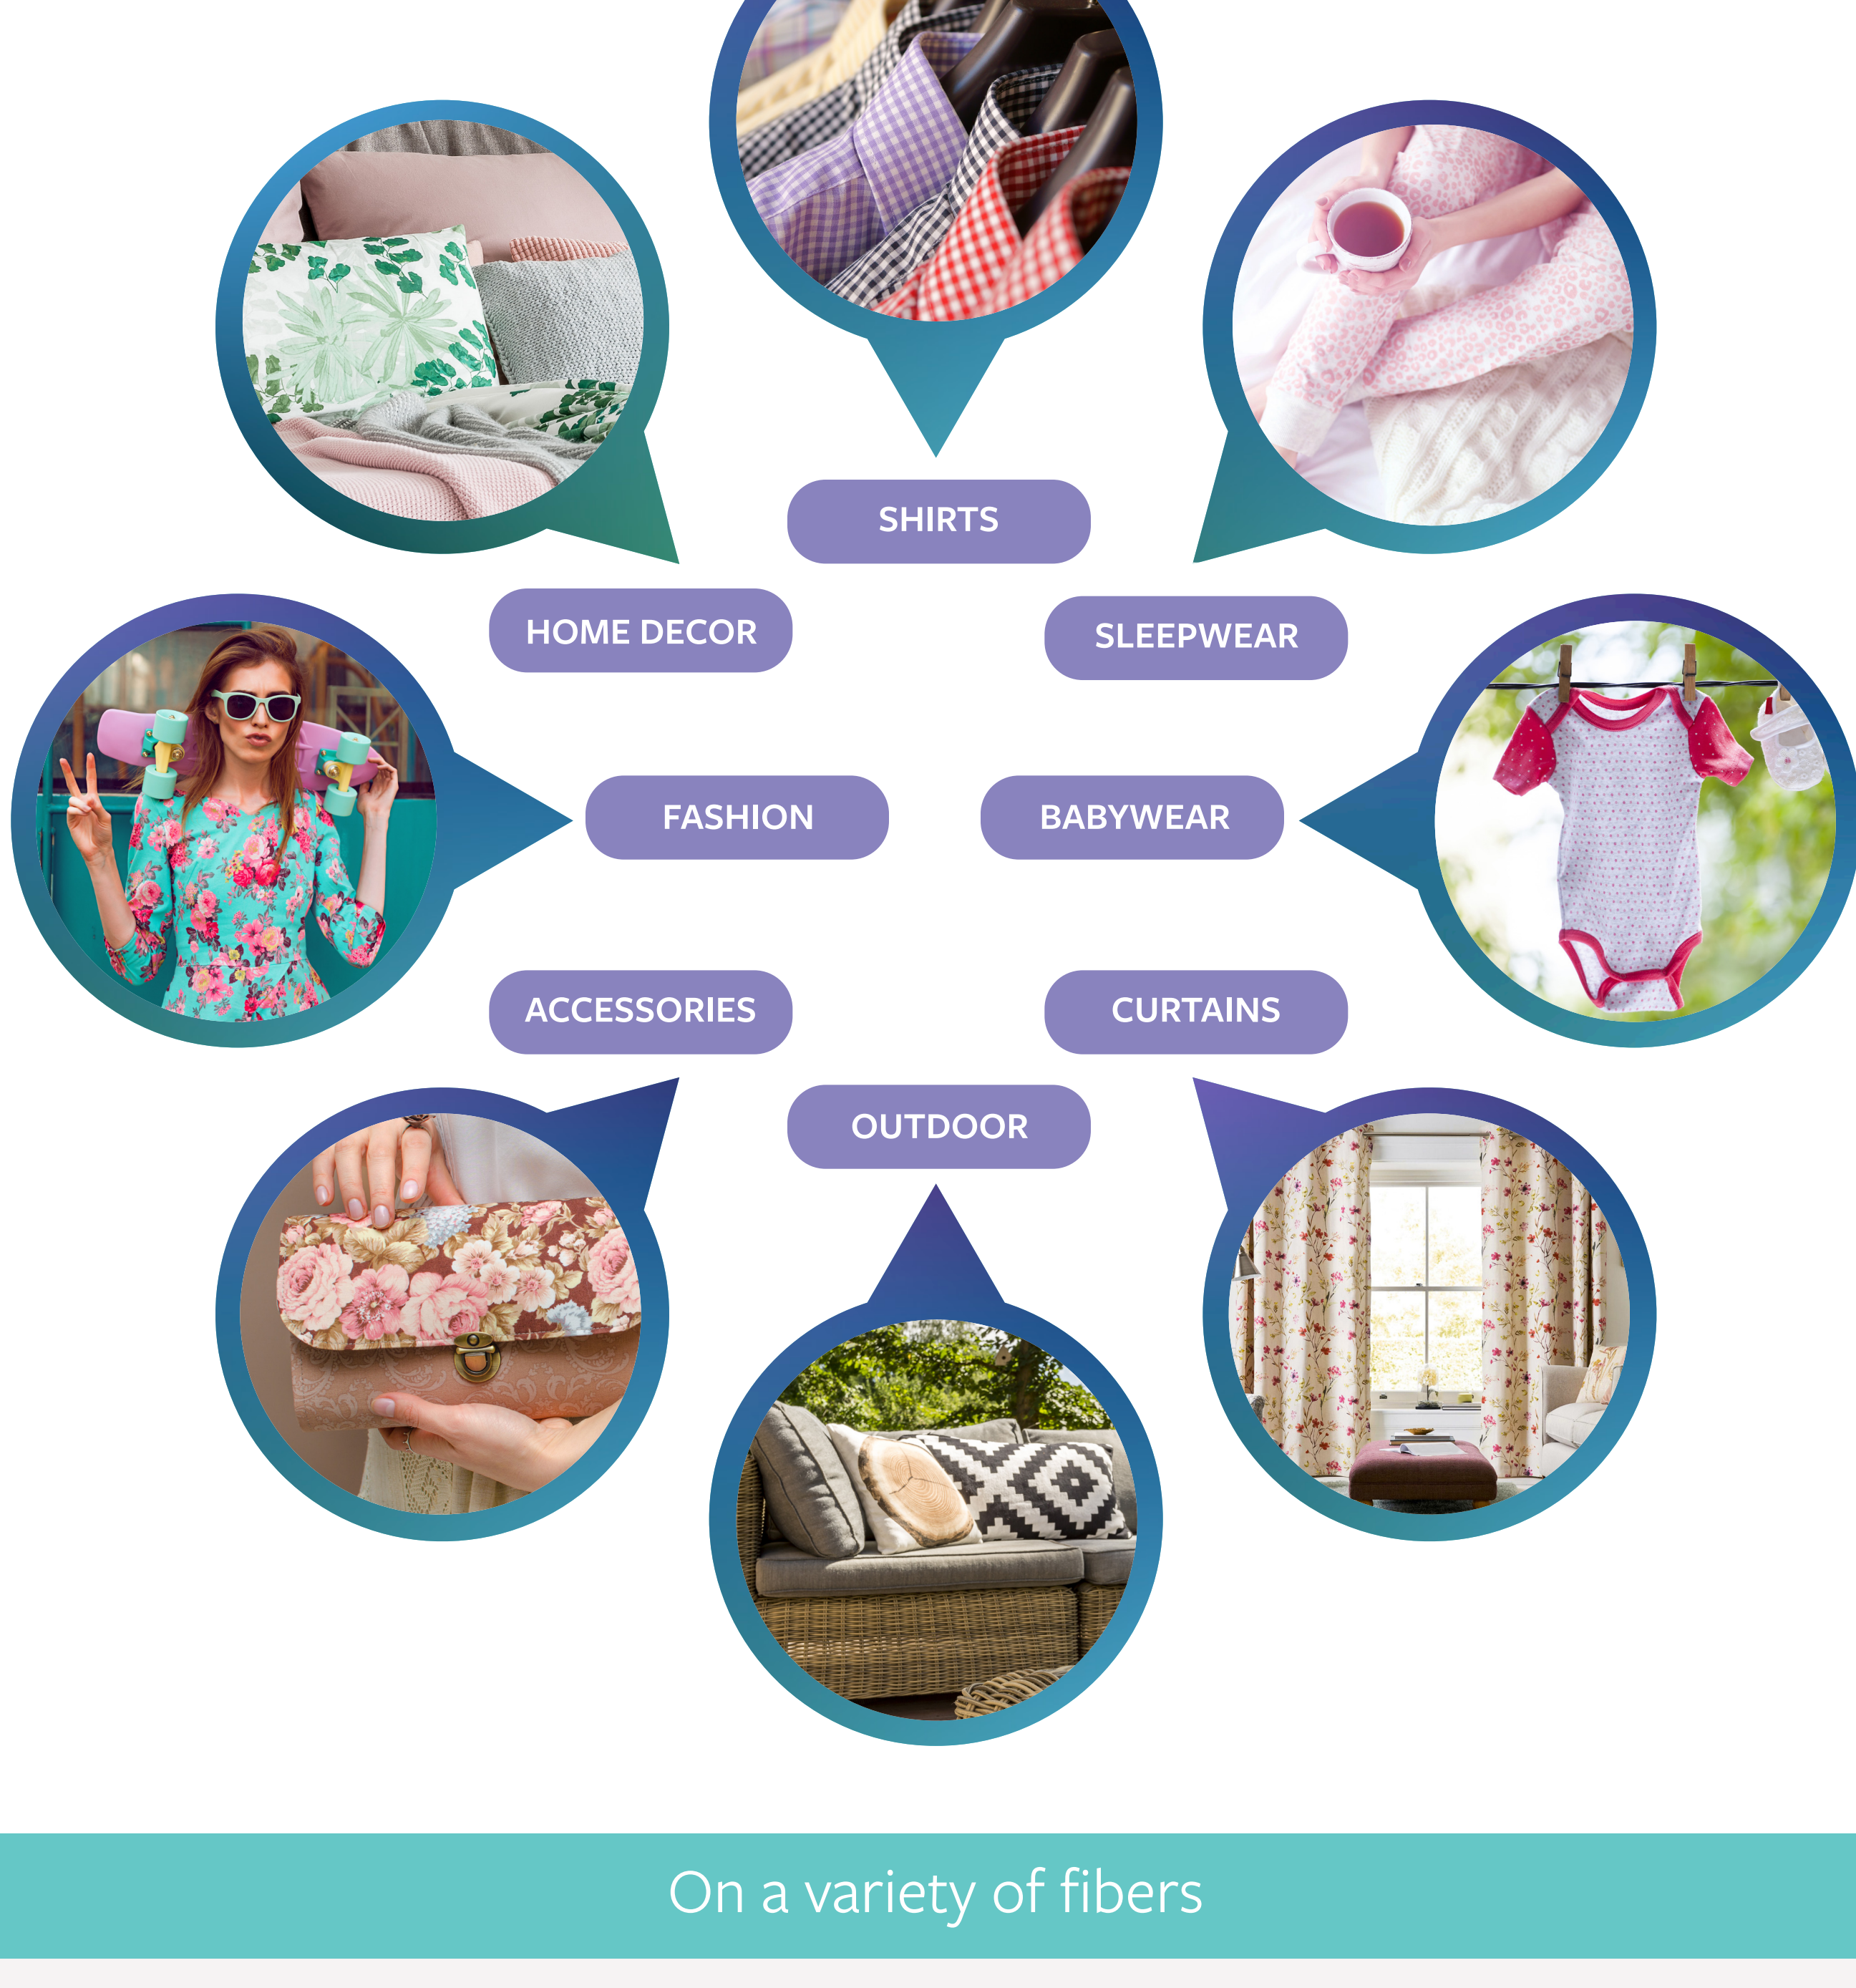

It's an innovative solution with unmatched benefits

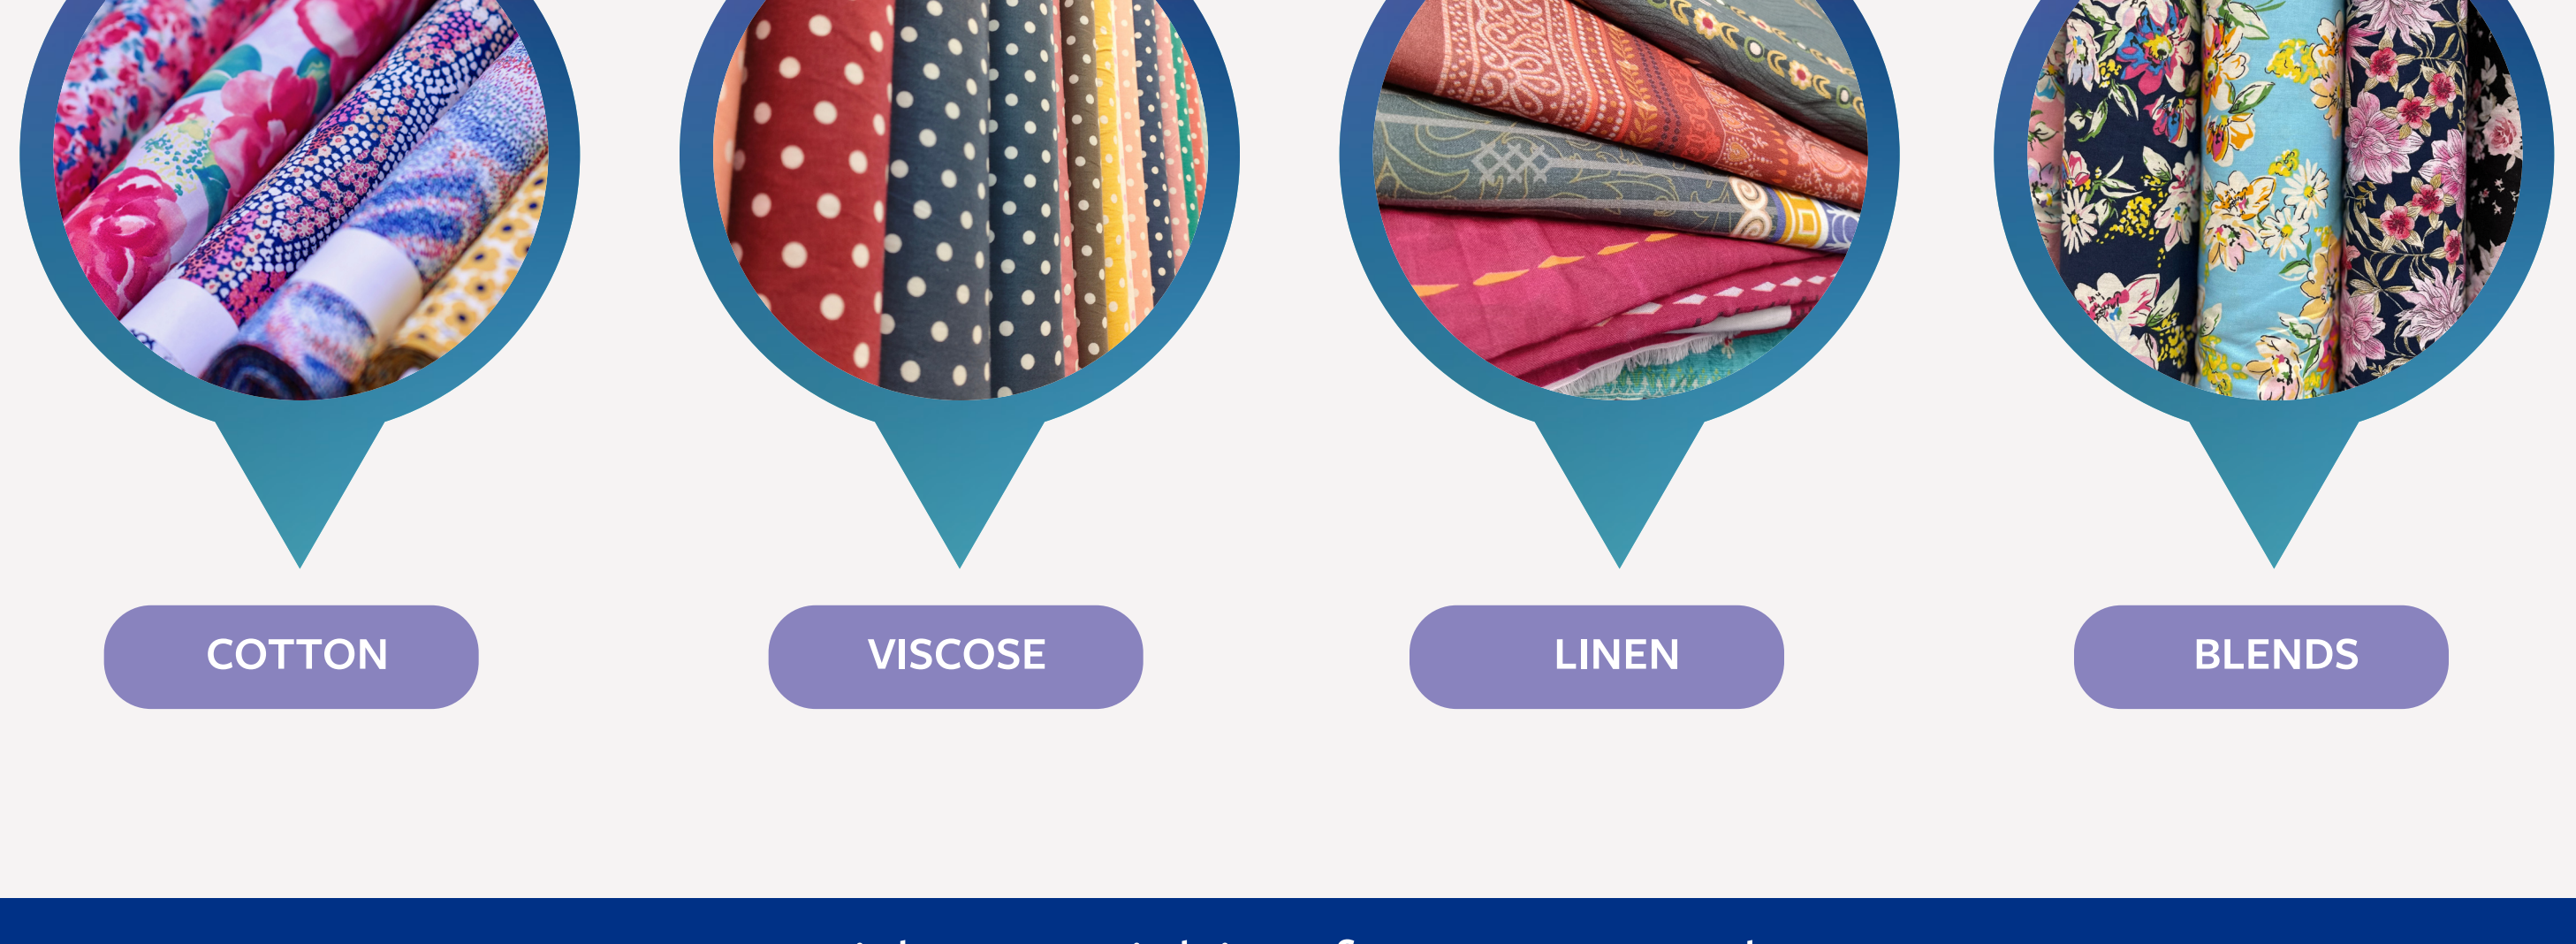

True Sustainability

That delivers performance and quality for a wide range of applications

On a variety of fibers

With astonishing fastness results

Certified by Centro Tessile Serico Spa Consortile, Como, Italy
